AUTHORIZATION TO RELEASE PROTECTED HEALTH INFORMATION

To be completed by the adult patient.

I authorize The University of Kansas Health System to release medical information via MyChart to: The Designated Proxy named above

- **The following information is to be released:** All information as allowed through MyChart (Note that MyChart may not contain the complete medical record.)
- I understand that I have a right to limit this authorization at any time through MyChart Family Access Settings or by signing the MyChart Proxy Revocation form.
- I understand that the revocation will not apply to information that has already been released in response to this authorization.
- I understand that the information in my health record may include information relating to sexually transmitted disease, acquired immunodeficiency syndrome (AIDS), or human immunodeficiency virus (HIV). It may also include information about behavioral or mental health services, and treatment for alcohol and drug abuse. I authorize the release of these records.
- I understand that authorizing the disclosure of this health information is voluntary. I can refuse to sign this authorization.
- I understand that any disclosure of information carries with it the potential for an unauthorized re-disclosure and the information may not be protected by federal confidentiality rules.
- I understand that any disclosure of information carries with it the potential for an unauthorized re-disclosure and the information may not be protected by federal confidentiality rules. If I have questions about disclosure of my health information, I can contact The University of Kansas Health System Office of Patient Relations at 913-588-1290.
- I understand this authorization must be filled out completely and signed and dated in order to be considered valid. The activation code I receive will be valid for sixty days.
- I represent that I am 18 years of age or older, or legally emancipated, and have the legal authority to sign this authorization.
